

**BACK SOON!!...Connecting Through Christ (CTC)** small group sermon-based bible study in a home near you!

Another round of CTC groups will begin after soon. This is our small group program to better connect members to each other and to Christ - **Connecting Through Christ (CTC)**.

We have had over 100 congregation members enjoy at least one group over the past several years - and many of those people have been in multiple groups. This program is modeled after successes at many other WELS churches and is based on a book named *Sticky Church*. It is a group of 8-12 adults who gather outside of the church to enjoy fellowship and grow in Christ by discussing a recent sermon. A trained facilitator from Good Shepherd will facilitate the discussion, and a coordinator gets the groups organized and scheduled. CTC will help people discuss and apply the sermon in a more personal way. CTC is not another church meeting, but a gathering of Christian friends developing a deeper relationship with each other and Christ. CTC groups will generally meet around twice per month and will continue for 3-5 months.

Additional details will be provided after an upcoming service, as well as signup information.
